

DIRECT DEPOSIT/ELECTRONIC FUNDS TRANSFER ENROLLMENT

If you have not previously elected to do so, please take this opportunity to participate in our Direct Deposit program. This program is part of our continuing effort to provide the best customer service to our owners. Some benefits of direct deposit are the elimination of mailing delays due to weather or holidays, lost or stolen checks and receipt delays related to address changes.

Direct Deposit will allow our interest owners to receive an electronic funds transfer (EFT) in their designated financial institution (bank, credit union or savings and loan) at no cost to you. The EFT will deposit the cash value of your monthly interest payment into your bank account and is available for use three (3) business days following the check issue date using the Automated Clearing House (ACH) wire system. It is faster, convenient and more efficient, plus, no more waiting to receive your check.

If you choose to receive your payments electronically, you are agreeing to retrieve your check detail online and no longer receive a paper statement. Your check detail will be available to view and print at www.energylink.com (1-888-573-3364). You will receive a subsequent letter by mail with instructions on how to access your check detail through EnergyLink. If you have received a check and have not received a letter with instruction, please follow the directions at <https://www.energylink.com/Public/Signup.aspx>.

If you elect not to participate in our Direct Deposit program, simply disregard this letter. No further action on your part is necessary.

If you choose to continue receiving checks, please allow 10 business days for your check to arrive before submitting a request to reissue your payment.

The undersigned hereby agrees that Infinity Hydrocarbons, LLC may reverse any electronic payment that is determined to be duplicate or made in error. Such owner further agrees that authorization of EFT (electronic funds transfer) as evidenced by the signature below amends your existing payment instructions to us and such authorization will remain in effect until otherwise cancelled by you by way of written notification to Infinity Hydrocarbons, LLC. I hereby agree to the terms stipulated herein, certify that the depository information listed below is accurate and authorize Infinity Hydrocarbons, LLC to issue payment to me electronically via EFT. Please allow up to two revenue check cycles for this process to be completed.
